Fire at West Liberty.

Yesterday afternoon between 3 and 4 o'clock the frame dwelling house of Louis Councilman, near West Liberty, caught fire from a defective flue in the kitchen, and was totally destroyed. By the aid of the neighbors most of the household goods were saved from the flames. The loss is estimated to be between \$1,500 and \$2,000. The insurance, if any, is not known at present.

Secured a Special Officer.

Employees at Seamon's tobacco works in Moundsville have been annoyed by certain outsiders lately. Yesterday Mayor Brooks, of Moundsville, appointed Eugene Syphert a special officer, with authority to make arrests. Syphert is foreman of the tobacco works. Yesterday, charges were preferred against Sarah Charleston, who has been annoying employees of the works, and she was bound over to keep the peace.

Col. Mitchell Dead.

Last evening about 9 o'clock, Colonel Mitchell, cashier of the First National bank of St. Clairsville, died, after a long illness. Colonel Mitchell was formerly a resident of Bridgeport, going to St. Clairsville in 1870. He was well known throughout Belmont county, having, before assuming the cashiership of the First National bank, been clerk of the courts for several terms.

The many friends of Mr. J. E. B. Macdonald in this city and Bridgeport, will be pained to hear of his death at Pasadena, California, on last Monday. Mr. Macdonald was well and favorably known in Wheeling. His father's health caused his removal to sunnier climes, but the grim reaper pursued him even there, and cut him down in the forty-seventh year of his age. His remains will be brought to this city for interment.

Perfect Wisdom.

Would give us perfect health. Because men and women are not perfectly wise. They must take medicines to keep themselves perfectly healthy. Pure, rich blood is the basis of good health. Hood's Sarsaparilla is the One True Blood Purifier. It gives good health because it builds upon the true foundation—pure blood.

HOOD'S PILLS are purely vegetable, perfectly harmless, always reliable and beneficial.

Piano Must be Sold.

We sold a fine Upright Piano seven months ago for \$400 to a lady in this city who is now obliged to part with it.

In order to sell at once we offer the piano for \$250 on payment of \$25 cash and \$10 per month, or \$250 spot cash. The piano is in perfect condition and can be seen at our store, 1310 Market street.

## THE CARNIVAL

Of the Merchants at the Grand Opera House

ON NEXT TUESDAY NIGHT.

Over One Hundred and Four Reputable Merchants in the City Have Made Provision for Representation in the Grand Spectacle—Music and Attractive Drills. For the Benefit of the Union Epworth League.

On next Tuesday evening a rather unique entertainment will be given at the Grand Opera House, which promises to surprise the people of Wheeling in all its features. The title of the show is the "Merchants' Carnival," and it will be given under the auspices of the Union Epworth League. For some time past extensive preparations have been making, and now those who have charge of the management of the entertainment are prepared to show their hand.

The entertainment will consist of representatives of the merchants who wish to advertise their business, a boy or girl typifying the particular branch of trade either by dress, song or speech; or, the entire combination. It will be seen that this affords a great opportunity to all merchants to bring before the public in an unusual and very attractive manner the virtues of the goods they sell.

Miss Aggie Cline, who has been doing herculean work in regard to enlisting the co-operation of the merchants in the exhibition, has succeeded beyond her expectations, as the following list of business houses and those who will represent them will testify:

## NEW STEEL WORKS.

Rumor that the Etna-Standard Company Contemplates Extensive Additions.

Last night the Intelligencer was informed that at the meeting of the board of directors of the Aetna-Standard Iron and Steel Company, which is to be held this afternoon at 3 o'clock, in the company's office in Aetnaville, a proposition to make extensive additions to the already very large plant would be considered. It was said that among other additions in view is a large steel plant. This rumor could not be verified last night, however.

THE HUB CLOTHIERS AND FURNISHERS.

## As Fine as They Make 'Em.

It's a positive fact that we can sell you better Clothes—ready to wear—than you can get made to order at nine-tenths of the tailors. Ours are better because they are made with particular attention to detail—because the fabrics used are the finest that are produced in the foreign and domestic mills—because the designers, cutter and tailors who make our Clothing stand at the head of their class. Virtually you are buying custom made clothes when you buy our Suits. Taking your measure is a relic of the time of stage coaches and tallow candles. Steam has conquered distance. Skill has conquered the tiresome, tedious delays, annoyances and disappointments of tailoring. Here you jump right into satisfaction—here you have the advantage of seeing what you are buying before you buy it. The privilege of bringing it back and getting your money if goodness doesn't last, is yours. Every man who pulls the trigger doesn't hit the bull's eye. All ready made clothing isn't competent if in comparison with tailoring. Some of it is better than others. There must be a best—and we've got it—just that. You can't call for anything too fine for us. We've got Suits as high as \$25 that to order would come double. We've got every style of Suits, from a business Sack to a Claw Hammer Full Dress in all sizes, to fit big men and small men, the tall and the short. We haven't a doubt about being able to suit and we're never pleased till you are. See our line of \$10.98 Suits—a saving to you of four dollars and two cents from the price you'll have to pay elsewhere—twice that amount if you go to the to-order shops. We can fit you no matter how tall or short you may be. Everybody's size.
